# Freedom is not free...

*But we are free because the Lord has delivered us!*

*"Brothers and sisters: I should like you to be free of anxieties."*

There was a lot of anxiety in 1897. The people of Scranton had scrimped and saved to build a church. The parish they had built, that their generous donations supported, didn't want them. They had been ejected from their former parish by a cruel pastor who demanded only obedience, who derided the hard working people, threatening them will hellfire. He sought only to be the lord and master of the people.

Think of their anxiety. They were outcasts, without a parish, without a pastor, without a spiritual home. Their investment

in a spiritual home was gone and its doors were shut to them. In their anxiety they reached out to God and in doing so found comfort in a pastor, a shepherd who made the grace of God available once again. Not a pastor who demanded to be their lord and master, but a pastor who was their brother, teacher, and guide; a pastor whose heart was for the people.

God sent Ś.P. Bishop Hodur to take their commission. He let them know the one key way to alleviate anxiety. It was not submission to priests, bishops, and a pope who defined themselves as royalty, as lords and masters, but instead

knowledge of the one Lord and Savior who frees us.

Bishop Hodur showed them the true Jesus who came to give us His word, to teach us, to show us the way to the Father. He showed them that Jesus was not preparing hellfire for His people, but rather the joys of heaven. He pointed and led to Jesus who takes up every one of our anxieties, big and small, and frees us; Jesus, who promises us joy.

Today we honor our freedom as we exercise our voice and vote in our annual parish meeting. This freedom was hard won, but has given us the best of all churches – one that is fully Catholic and fully democratic.

The people of Scranton took their anxiety to the Lord and He showed them the way, provided for them. Let us too rely on the Lord who has made us free.

*"Have no anxiety about anything, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God."*

## Music Scholarship Sunday

*"Make a joyful shout to God all the earth! Sing out the honor of His name; make His praise glorious" (Psalm 66:1-2)*

The last Sunday of January has been set aside by Synodal resolution as Music Scholarship Sunday, which puts special emphasis on the Music Scholarship program of the National United Choirs of the Polish National Catholic Church. It is the Sunday when the choirs, organists, directors and choir members should be recognized for their contributions to the music ministry of our church. It is also the Sunday when we look to the future and identify those that we hope will be part of the music ministry of the PNCC.

Music provides inspiration and pleasure to both the musician and the listener. It is the calling of every organist, choir member, accompanist, and musician to enhance the liturgy of the Holy Mass and special services.

The Music Scholarship program has a number of endowments, awards that are available to members of the PNCC, whether it is via instrument or voice, regardless of age. It is our duty to encourage and reach those individuals who have the potential and love of music.

Your financial support has provided us with the vehicle to make awards annually to deserving applicants. It is through your continued support that we have made financial assistance available to those who are interested in serving the music ministry.

Please give generously on Scholarship Sunday, encourage applicants for the program and remember our church musicians in your prayers. May God Bless You!

Please see Deacon Jim for scholarship applications or download them from [www.nucmusicscholarship.weebly.com](http://www.nucmusicscholarship.weebly.com).
