*"Since then these things are manifest to us, and we have looked into the depths of the divine knowledge, we ought to do in order all things which the Master commanded us to perform at appointed times. He commanded us to celebrate sacrifices and services, and that it should not be thoughtlessly or disorderly, but at fixed times and hours. He has Himself fixed by His supreme will the places and persons whom He desires for these celebrations, in order that all things may be done piously according to His good pleasure, and be acceptable to His will. So then those who offer their oblations at the appointed seasons are acceptable and blessed, but they follow the laws of the Master and do not sin. For to the high priest his proper ministrations are allotted, and to the priests the proper place has been appointed, and on Levites their proper services have been imposed. The layman is bound by the ordinances for the laity." – St. Clement*

Turn up the dial!

Jesus said to the Jewish crowds: "I am the living bread that came down from heaven; whoever eats this bread will live forever; and the bread that I will give is my flesh for the life of the world."

When I was young, it seemed everyone had a big old counsel stereo system. You may remember these, a really big and long wooden piece of furniture with built-in stereo speakers and all kinds of electronic equipment.

These systems had various doors and hinges that opened sections of the system. They typically had a built-in record player under a hinged top. The front doors would open to access the radio and volume controls. interestingly, these furnishings are making a comeback.

These systems were very elegant, and for me, a great temptation! (especially at home, but not only).

I would sit on the floor before this

impressive set of electronics and dream of all sorts of adventures. I could control a spaceship, launch missiles and destroy the Russians, wherever the mind could take me, I could go.

The one thing my fiddling around always seemed to accomplish was the shock and surprise my parents and their guests would get when they turned the system on. Boom! the radio was turned all the way up, and people jumped. So would I when I heard my name called...

For these days, where we particularly reflect on the mystery of the Body and Blood of Jesus, we are called to do what I did with those stereo systems; turn up the volume.

This solemnity offers a unique opportunity to turn up the volume of our praise and worship, to acknowledge a love so great that its giver desired to stay with us forever. During this eight day period, we focus on celebrating and proclaiming more than a

mere symbol or a nice memory – who would waste time doing that! We turn up the volume on the truth – the great giver of all love is with us here, now, and forever.

The great giver of love, Jesus Christ, is really present – body, blood, soul, and divinity in what appear to be simple bread and wine. He is in our hands. Sadly, only 40 to 91 percent of catholic churchgoers recognize Jesus. It should never be less than 100%. So, we need to turn up the volume. We need to sing out and proclaim His praises, revel in His presence. Let the world know.

Love isn't something far off. Our great God allows us, to *eat His flesh and drink His blood* and because of it we have *eternal life*. This simple fact must fill us, envelop us with such joy that we cannot help but turn up the dial on our praise. We need to live praise filled lives, overwhelmed by the fact that He is so close by, ready for a visit. Call the world to Him by loud thankful praise.

And the angel said to me, "Write this: Blessed are those who are invited to the marriage supper of the Lamb." And he said to me, "These are true words of God."

Pray

Jesus, You are our food and drink. Grant that I may live of life of praise and thankfulness for Your great gift.

Happy Father's Day

Today the Holy Church shares in our nation's Father's Day celebration. During Holy Mass, special prayers will be offered for fathers living and deceased. Also on Father's Day the church asks that we accept a special collection to benefit the clergy pension fund of the church. This collection allows the denomination to offer a very small monthly payment to our retired priests and then to their widows. Your generosity is appreciated! A special thank you to Joanne and her children for preparing a lovely Father's Day breakfast.

Flowers and Water

Thank you to Pete for his tremendous patience and forbearance in seeing to the water pipe repairs necessary at Holy Name of Jesus cemetery. Thank you to Darryl for helping out with the digging. Thank you to Alyssa and Linda for the beautiful flowers that have been planted (and more to come) around the parish.

Seniorate Corpus Christi Celebration

The Mohawk Valley Seniorate gathered for a combined Corpus Christi Holy Mass and procession hosted at Sacred Heart of Jesus/Holy Cross Parish in New York Mills, NY on Saturday. A lovely lunch was served afterward. Jesus instituted the Holy Eucharist at the Last Supper so that He might remain with us in a very intimate and personal way forever. Let us live lives of thankful praise because of and before this great gift.

We Need Bras

We are looking for gently used or new bras with tags (preferably) to donate to the Free the Girls organization through the Zonta Club of Albany. Bras and the second-hand clothing market provide a safe and powerful economic opportunity for women in the countries served by Free the Girls. Bring in your new or gently used bras and place them in the box located in the parish hall throughout the summer.

Please Pray for Vocations

June is the month of prayer for Sacred Vocations. Please offer this prayer daily: *Heavenly Father, Master of the harvest, we humbly ask You to send more laborers into Your fields, for the work is indeed great. Grant more faithful priests and deacons to Your Polish National Catholic Church. We ask this through Jesus Christ, Our Lord. Amen.*

New Online Giving Option

Our parish website has a new online giving option. You may donate, offer a memorial donation or a donation for a special need, or pay you membership dues online. See [www.holynamencc.org/giving/](http://www.holynamencc.org/giving/).
